

INDEPENDENT AUDITOR'S REPORT**To the Board of Directors of MIDWEST HOLDINGS LIMITED****Report on the Audit of the Special Purpose Consolidated Financial Statements****Opinion**

We have audited the accompanying Special Purpose Consolidated Financial Statements of MIDWEST HOLDINGS LIMITED (hereinafter referred to as the "Holding Company"), and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its joint ventures, which comprise the Special Purpose Consolidated Balance Sheet as at 31st March 2026, the Special Purpose Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Special Purpose Consolidated Cash Flow Statement, the Special Purpose Consolidated Statement of Changes in Equity, for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Special Purpose Consolidated Financial Statements", "SPCFS").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid SPCFS is prepared, in all material respects, in accordance with the basis set out in note 2.1 to the SPCFS.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the SPCFS' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence and ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 (the "Act") and the Rules made thereunder, and we have fulfilled our other responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the SPCFS.

Emphasis of Matter

We draw attention to Note 2.1 to the SPCFS, which describes the purpose and basis of accounting. The SPCFS have been prepared by the Company solely to assist Midwest Limited for its consolidation purpose. Our report is intended solely for the use of management and the Board of Directors for the above purpose and should not be distributed to or used by any other parties.

Our opinion is not modified in respect of this matter.

Restriction on Distribution and Use

Without modifying our opinion, we draw attention to Note 2.1 to the SPCFS which describes that the financial statements have been prepared in accordance within conformity with the Indian Accounting Standard prescribed under Section 133 of the Companies Act, 2013 (the "Act"),

Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India of the financial position of the Company as at March 31, 2026 and of its financial performance, its changes in equity and its cash flow for the Year ended. As a result, the SPCFS may not be suitable for another purpose.

We, MAJETI & CO., Chartered Accountants, shall not be liable to the Company or to any other concerned for any claims, liabilities or expenses relating to this assignment. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

Responsibilities of Management and Those charged with Governance for SPCFS

Management is responsible for the preparation and fair presentation of these SPCFS that give a true and fair view of the state of affairs, results of operations and cash flows of the Company, in accordance with the Indian Accounting Standard 34 "Financial Reporting" as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended, and other accounting principles generally accepted in India, and this includes design, implementation, and maintenance of such internal controls as management determines necessary to enable the preparation of SPCFS that are free from material misstatement, whether due to fraud or error.

In preparing the SPCFS, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the SPCFS

Our responsibility is to express an opinion on this Special Purpose Financial Information based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India and International Standards on Auditing, to the extent applicable to audits of special purpose financial information. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial information is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the special purpose financial information. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

We did not audit the financial statements of three subsidiaries (including two step-down subsidiaries), whose financial statements reflect total assets of USD 1,53,36,738 and net assets of USD 9,28,827 as at 31st March 2026, total revenues of USD Nil and a total comprehensive income of USD 12,500 for the year ended on that date, as considered in the SPCFS, These financial statements have been audited by another auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report on the Audit of the SPCFS, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion is not modified in respect of this matter.

Midwest Holdings Limited
Notes to the Special Purpose Consolidated Financial statements

Note 1 : Corporate information

1.1 The Holding company is incorporated on 6th February, 2008 under Section 3(1)(c) of the Companies Act, 2006 of Isle of Man.

The registered office of the holding company is located at International House, Castle Hill, Victoria Road, Douglas, Isle of Man IM2 4RB. The company is an Investment company.

Note 2 : Material Accounting Policies

This note provides a list of the Material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Note 2.1 : Basis of Preparation of financial statements

The Special Purpose Consolidated Financial Statements ('financial statements') have been prepared by the holding Company solely to assist its Holding Company (Midwest Granite Private Limited for its consolidation purpose and to comply with the requirements under the Companies Act, 2013 ('Act').

All the amounts disclosed in the financial statements and notes have been rounded off to the nearest USD and INR.

(i) Compliance with Ind AS

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules as amended from time to time and other relevant provisions of the Act.

(ii) Current and non-current classification

An asset is classified as current if:

- (i) It is expected to be realised or sold or consumed in the Company's normal operating cycle;
- (ii) It is held primarily for the purpose of trading;
- (iii) It is expected to be realised within twelve months after the reporting period; or
- (iv) It is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current if:

- (i) It is expected to be settled in normal operating cycle;
- (ii) It is held primarily for the purpose of trading;
- (iii) It is expected to be settled within twelve months after the reporting period;
- (iv) It has no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non current only.

(iii) Operating Cycle

The operating cycle is the time between acquisition of assets for processing and their realization in cash and cash equivalents. Based on the nature of products and time between acquisition of assets for processing and their realization in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

Note 2.2 : Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The Director has been identified as the Chief Operating Decision Maker. Refer Note 21 for the segment information presented.

Note 2.3 : Use of estimates, assumptions and judgements

The preparation of financial statements in conformity with Ind AS requires management of the Group to make estimates and assumptions and judgements that affect the reported amounts of assets and liabilities and disclosure of contingent assets; liabilities at the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the current and future periods.

the Group uses the following accounting estimates in the preparation of financial statements:

- Provisions and contingent liabilities.

Note 2.4 : Foreign Currency Transactions

a) Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). Indian Rupees is the functional currency of the company. The financial statements and all financial information are presented in USD.

Midwest Holdings Limited
Notes to the Special Purpose Consolidated Financial statements

b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit and loss. Non-monetary items that are measured in terms of historical cost in a foreign currency, using the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

Note 2.5 : Financial Instruments

Classification, initial recognition and measurement

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments are recognised on the balance sheet when the Group becomes a party to the contractual provisions of the instrument.

(i) Financial Assets

Classification

the Group classifies its financial assets in the following measurement categories:

- a. Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b. Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. the Group reclassifies debt investments when and only when its business model for managing those assets changes.

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent measurement of Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

At Amortised cost: Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses.

At fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

At fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and shortterm deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

Derecognition of financial assets

the Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On de-recognition of a financial asset the difference between the carrying amount and the consideration received is recognised in the statement of profit and loss.

Note 2.6 : Financial liabilities

Classification, initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts

Midwest Holdings Limited
Notes to the Special Purpose Consolidated Financial statements

Subsequent measurement

Financial liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Loans and borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable the some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Derecognition of financial liabilities

the Group derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. On derecognition of a financial liability the difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

Note 2.7 : Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

Note 2.8 : Impairments of assets

Financial Assets

the Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). The impairment methodology applied depends on whether there has been a significant increase in credit risk

Expected credit losses are measured through a loss allowance at an amount equal to

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date) or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For other assets, the Group uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Non-financial assets

Property, Plant and Equipment and Other intangible assets with finite life are evaluated for recoverability when there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset or CGU is estimated to be less than its carrying amount, the carrying amount of the asset or CGU is reduced to its recoverable amount and impairment loss is recognised in the profit or loss.

Note 2.9 : Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as other finance expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. the Group does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

Contingent assets are not recognised but disclosed in the consolidated financial statements when an inflow of economic benefits is probable.

Note 2.10 : Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, and not distributed on or before the end of the reporting period. Dividend is recognised as a liability in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

Midwest Holdings Limited
Notes to the Special Purpose Consolidated Financial statements

Note 2.11 : Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing the profit or loss after tax for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share

For calculating diluted earnings per share, the profit or loss after tax for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Note 2.12 :Recent pronouncements

The Ministry of corporate Affairs ("MCA") notified amendments on May 07, 2025 and August 13, 2025 under the Companies (Indian Accounting Standards) Amendment Rules, 2025 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which is effective from annual reporting periods beginning on or after April 01 2025.

(a) Amendment to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangement:

The amendments to Ind AS 7 'Statement of Cash Flows' and Ind AS 107 'Financial Instruments:

Disclosures' clarify the characteristics of supplier finance arrangements and require additional disclosures for such arrangements. The disclosure requirements in the amendments are intended to assist users of consolidated financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

The Group does not have any supplier finance arrangements during the reporting period.

(b) Amendment to Ind AS 1 - Classification of liabilities as current or non-current and non-current liabilities with covenants:

The amendment specifies the requirements for classifying liabilities as current or non-current in the balance sheet, and clarifies the following:

- a) An entity's right to defer settlement of a liability for at least twelve months after the reporting period must have substance and must exist at the end of the reporting period. The classification of a liability as current or non-current is unaffected by the likelihood that the entity will exercise its right to defer settlement.
- b) If an entity's right to defer settlement of a liability is subject to covenants, such covenants affect whether that right exists at the end of the reporting period only if the entity is required to comply with the covenant on or before the end of the reporting period.
- c) In case of a liability that can be settled, at the option of the counterparty, by the transfer of the entity's own equity instruments, such settlement terms do not affect the classification of the liability as current or non-current only if the option is classified as an equity instrument.

These amendments have no effect on the measurement of any items in the consolidated financial statements of the Group. The Group did not make retrospective adjustments as a result of adopting the amendments to Ind AS 1

c) Amendment to Ind AS 12 – Pillar-Two Tax Reforms

The Group is not within the scope of the OECD Pillar Two Model Rules, as Pillar Two legislation has not yet been enacted in any of the jurisdiction in which the Group operates.

d) Amendment to Ind AS 21-Lack of exchangeability

The Amendments introduces requirement to assess when a currency is exchangeable into another currency and when it is not. The amendment requires an entity to estimate the spot exchange rate when it concludes that a currency is not exchangeable into another currency. These amendments had no effect on the consolidated financial statements of the Group.

The below amendments are notified but not yet effective

Amendment to Ind AS 1 'Presentation of Financial Statements'- Classification of Liabilities as current or non-current and non-current liabilities with covenants:

The amendment includes specific provisions that will take effect for reporting periods beginning on or after April 01, 2026, retrospectively, as outlined below:

- (a) Breach of material covenant for long-term loan arrangement on or before end of reporting period with effect that liability becomes payable on demand as on reporting date, then it shall be classified as current liability, if lender agreed after reporting period and before approval of financial statements to not demand payment as a consequence of breach.
- (b) Classify as non-current liability, if lender agreed by end of reporting period to provide grace period ending at least 12 months after reporting period within which entity can rectify the breach provided lender does not demand immediate repayment.
- (c) Disclose information about the timing of settlement to understand the impact of the liability on the consolidated financial statements.

The Group does not expect this amendment to have an impact on its operations or consolidated financial statements.

Note 19: Fair value measurement
Financial instruments by category

Particulars	As at March 31, 2026			
	Method of valuation	Fair value hierarchy	Amount in USD	Amount in INR
A. Financial liabilities				
i) Non-Current Financial Liabilities	Level 2	Amortised cost	63,94,129	60,52,31,788
ii) Current Financial Liabilities	Level 2	Amortised cost	4,06,285	3,84,56,643
iii) Trade payables	Level 2	Amortised cost	6,58,776	6,23,55,959
iv) Other financial liabilities	Level 2	Amortised cost	6,91,087	6,54,14,164
Total financial liabilities			81,50,277	77,14,58,554

Particulars	As at March 31, 2025			
	Method of valuation	Fair value hierarchy	Amount in USD	Amount in INR
A. Financial liabilities				
i) Non-Current Financial Liabilities	Level 2	Amortised cost	63,94,129	45,48,10,493
ii) Current Financial Liabilities	Level 2	Amortised cost	4,06,285	3,47,70,440
iii) Trade payables	Level 2	Amortised cost	6,92,012	5,92,23,357
iv) Other financial liabilities	Level 2	Amortised cost	5,76,196	4,93,11,666
Total financial liabilities			80,68,622	59,81,15,956

The financial instruments are categorised into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and

Level 3: Inputs based on unobservable market data.

Credit risk: Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due causing financial loss to the company. It arises from its investment activities, derivative instruments and other financial assets. Company does not carry any material credit risk.

Liquidity risk : Liquidity risk is the risk that arises from the Company's inability to meet its cash flow commitments. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities. Company does not carry any material liquidity risk.

Interest Rate Risk: As the Company does not have exposure to any floating-interest bearing financial assets or liabilities, it is not affected to changes in market interest rates

Foreign currency risk

Foreign exchange exposure mainly arises from Creditor for Expenses denominated in foreign currencies. Consequently, the Company is mainly exposed to foreign exchange risks related to foreign currencies vis-à-vis the functional currencies.

Unhedged foreign currency exposure as at the reporting date:

	As at March 31, 2026		
	GBP	Amount equivalent to USD	Amount equivalent to USD
Trade payables	2,082	2,754	2,60,678

	As at March 31, 2025		
	GBP	Amount equivalent to USD	Amount equivalent to USD
Trade payables	31,234	40,355	34,53,607

Sensitivity analysis for foreign currency risk

Particulars	Impact of profit before tax for the year ended		Impact of Equity, net of tax as at	
	March 31, 2026	March 31, 2025	March 31, 2026	March 31, 2025
GBP Sensitivity in USD:				
USD/GBP -Increase by	(138)	(2,018)	(138)	(2,018)
USD/GBP -Decrease by	138	2,018	138	2,018
GBP Sensitivity in INR:				
INR/GBP -Increase by	(13,034)	(1,72,680)	(13,034)	(1,72,680)
INR/GBP -Decrease by	13,034	1,72,680	13,034	1,72,680

The above sensitivity analysis is based on a reasonably possible change in the underlying foreign currency against the respective USD while assuming all other variables to be constant.

Midwest Holdings Limited

Notes to the Special Purpose Financial statements

Note 20: Segment Information**(a) Description of segments and principal activities**

The Director has been identified as the Chief Operating Decision Maker (CODM). Operating segments are defined as components of an enterprise for which discrete financial information is available. This is evaluated regularly by the CODM, in deciding how to allocate resources and assessing the Company's performance. The Company is engaged in activity of Holding companies.
