

INDEPENDENT AUDITOR'S REPORT

To the Members of Midwest Neostone Private Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Midwest Neostone Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon, which is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the

MSKA & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors of the Company are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Financial Statements.

Other Matter:

The financial statements of the Company for the year ended March 31, 2025, were audited by another auditor whose report dated September 01, 2025 expressed an unmodified opinion on those statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report

MSK A & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

are in agreement with the books of account maintained for the purpose of preparation of the financial statements.

- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2026.
- iv.
- a) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the note 43 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the note 43 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.

MSK A & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

- v. The Company has neither declared nor paid any dividend during the year.
 - vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of the prior years has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded.
3. In our opinion, according to information, explanations given to us, the provisions of Section 197 of the Act are not applicable to the Company as it is a private company.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MIDWEST NEOSTONE PRIVATE LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MSKA & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MIDWEST NEOSTONE PRIVATE LIMITED FOR THE YEAR ENDED MARCH 31, 2026

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- i. (a) A The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment, and relevant details of right-of-use assets.

B The Company has no intangible assets. Accordingly, the provisions stated under clause 3(i)(a)(B) of the Order are not applicable to the Company.
- (b) Property, Plant and Equipment, and right of use assets have been physically verified by the management at during the year and no material discrepancies were identified on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the financial statements, are held in the name of the Company.
- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and equipment (including Right of Use assets) during the year. The Company does not have any intangible assets. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
- ii. (a) The inventory (excluding stocks-in-transit) has been physically verified by the management during the year. In respect of goods in transit, the goods have been received subsequent to the year end. In our opinion, the frequency, coverage and procedure of such verification is reasonable and appropriate, having regard to the size of the Company and the nature of its operations. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During any point of time of the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores rupees, in aggregate from Banks, on the basis of security of current assets. Based on the records examined by us in the normal course of audit of the financial statements, quarterly returns / statements filed with such Banks are in agreement with the books of accounts of the Company. Refer note 16 to the financial statements.

Further, during any point of time of the year, the Company has not been sanctioned working capital limits from financial institutions, on the basis of security of current assets.
- iii. According to the information and explanations provided to us, the Company has not made any investments in, or provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions stated under clause 3(iii) of the Order are not applicable to the Company.

MSKA & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

- iv. According to the information and explanations given to us, there are no loans, investments, guarantees, and security in respect of which provisions of sections 185 and 186 of 'the Act', are applicable and accordingly, the requirement to report under clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has neither accepted any deposits from the public nor any amounts which are deemed to be deposits, within the meaning of the provisions of Sections 73 to 76 of 'the Act' and the rules framed there under. Accordingly, the requirement to report under clause 3(v) of the Order is not applicable to the Company.
- vi. The provisions of sub-Section (1) of Section 148 of 'the Act' are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the products/ services of the Company. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us and the records examined by us, in our opinion, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and other statutory dues have been regularly deposited by the Company with appropriate authorities in all cases during the year. No undisputed amounts payable in respect of these statutory dues were outstanding as at March 31, 2026, for a period of more than six months from the date they became payable.
- vii. (b) According to the information and explanations given to us and the records examined by us, there are no dues relating to goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us, there are no transaction which are not recorded in the books of account which have been surrendered or disclosed as income during the year in Income-tax Assessment under the Income Tax Act, 1961. Accordingly, the requirement to report as stated under clause 3(viii) of the Order is not applicable to the Company.
- ix. (a) In our opinion and according to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations provided to us, money raised by way of term loans during the year have been applied for the purpose for which they were raised. Refer Note 15 to the financial statements.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.
- (e) The Company does not have any subsidiary, associate, or joint venture. Accordingly, requirement to report under clause 3(ix)(e) of the order is not applicable to the Company.
- (f) The Company does not have any subsidiary, associate, or joint venture. Accordingly, the requirement to report under clause 3(ix)(f) of the order is not applicable to the Company.

MSKA & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

- x. (a) In our opinion and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting requirement under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly, or optionally convertible) during the year. Accordingly, the requirements to report under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) Based on our examination of the books and records of the Company and according to the information and explanations given to us, we report that no fraud by the Company or no material fraud on the Company has been noticed or reported during the year in the course of our audit.
- (b) During the year no report under Section 143(12) of the Act, has been filed by cost auditor/ secretarial auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the Management, there are no whistle-blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company. Accordingly, the provisions stated under clause 3(xii)(a) to (c) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, the provisions of section 177 of 'the Act' are not applicable to the Company. Further, the transactions with the related parties are in compliance with Section 188 of 'the Act' and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. In our opinion and based on our examination, the Company does not have an internal audit system and is not required to have an internal audit system as per the provisions of 'the Act' Accordingly, requirement to report under clause 3(xiv) of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us, and based on our examination of the records of the Company, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, the requirement to report on on clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45 IA of the Reserve Bank of India Act, 1934 (2 of 1934) and accordingly, the requirements to report under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities during the year and accordingly, the provisions stated under clause 3 (xvi)(b) of the Order are not applicable to the Company.
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report under clause 3 (xvi)(c) of the Order is not applicable to the Company.
- (d) The Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any Core Investment Company (as part of its group. Accordingly, the requirement to report under clause 3(xvi)(d) of the Order is not applicable to the Company.

MSK A & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

- xvii. Based on the overall review of financial statements, the Company has incurred cash losses in the current financial year and in the immediately preceding financial year as below:

Particulars	March 31, 2026 (Current year)	March 31, 2025 (Previous Year)
Cash losses	41.03 Mn	1.47 Mn

- xviii. There has been resignation of the erstwhile statutory auditors during the year. No issues, objections or concerns were raised by the outgoing auditor(s).
- xix. According to the information and explanations given to us and on the basis of the financial ratios (as disclosed in note 41 to the financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations given to us and based on our verification, provisions of Section 135 of 'the Act', are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said Clause has been included in the report.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MIDWEST NEOSTONE PRIVATE LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the Members of Midwest Neostone Private Limited on the Financial Statements for the year ended March 31, 2026]

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to financial statements of Midwest Neostone Private Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI').

Management's and Board of Director's Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

MSKA & Associates LLP

(Formerly known as M S K A & Associates)

Chartered Accountants

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Midwest Neostone Private Limited**Notes forming part of Financial Statements**

(All amounts are in ₹ Millions, unless otherwise stated)

1. Corporate information

Midwest Neostone Private Limited (the company) having CIN U26990AP2017PTC104823 is a private limited company incorporated under the provisions of the Companies Act, 2013. The registered office of the company is located at D.No.35-065-138, Mangamuru Road, South By-pass Road Behind Y.S.R. Congress Party office, Prakasam, Ongole, Andhra Pradesh, India, 523002. The company is engaged in Manufacturing of Non-Metallic Products.

2. Material accounting policies**2.1. Basis of preparation and measurement.****(i) Statement of Compliance and Basis for preparation**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the 'Act'), the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provisions of the Act.

The financial statements have been prepared on a going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires change in accounting policy hitherto in use.

(ii) Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All financial information presented in Indian rupees have been rounded-off to two decimal places to the nearest millions except where otherwise stated.

(iii) Basis of measurement

The financial information has been prepared on the historical cost basis except for the following items:

- Certain financial assets and liabilities : Measured at fair value
- Financial instruments : Fair value through profit or loss.
- Net defined benefit liability : Present value of defined benefit obligations

(iv) Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application policies and reported amounts of the assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statements and reported amounts of revenue and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in the estimates are made as and when management becomes aware of changes in circumstances surrounding the estimates. Changes in the estimates are reflected in the financial statements in the year in which the changes are made and, if material, such effects are disclosed in the notes to financial statements.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Note 3, 4 and 5 - determining an asset's expected useful life and the expected residual value at the end of its life.
- Note 10 - impairment of financial assets;
- Note 31 - measurement of defined benefit obligations: key actuarial assumptions;
- Note 32 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

(v) Measurement of fair values

Accounting policies and disclosures require measurement of fair value for financial assets and financial liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:

- Note 36 - Financial instruments

Midwest Neostone Private Limited**Notes forming part of Financial Statements**

(All amounts are in ₹ Millions, unless otherwise stated)

(vi) Current and non-current classification:

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current. The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

(a) Assets

An asset is classified as a current when it is:

- it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is expected to be realized within twelve months from the reporting date;
- it is held primarily for the purposes of being traded; or
- is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non current.

(b) Liabilities

A liability is classified as a current when:

- it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is due to be settled within twelve months from the reporting date;
- it is held primarily for the purposes of being traded;
- the Company does not have an unconditional right to defer settlement of liability for at least twelve months from the reporting date.

All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non current.

(c) Operating Cycle

Operating cycle is the time between the acquisition of assets for processing and realization in cash or cash equivalents. The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

2.2. Summary of material accounting policies**(a) Revenue recognition****Revenue from contract with customers**

The majority of the company's revenue is derived from selling goods with revenue recognised at a point in time when control of the goods has transferred to the customer. This is generally when the goods are delivered to the customer. However, for export sales, control might also be transferred when delivered either to the port of departure or port of arrival, depending on the specific terms of the contract with a customer. There is limited judgement needed in identifying the point control passes: once physical delivery of the products to the agreed location has occurred, the company no longer has physical possession, usually will have a present right to payment (as a single payment on delivery) and retains none of the significant risks and rewards of the goods in question.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- i. the customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- ii. the Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- iii. the Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Other income - Interest income

Interest income is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Interest income is included under the head 'other income' in the statement of profit and loss.

(b) Borrowing costs

Borrowing costs are capitalised, net of interest received on cash drawn down yet to be expended when they are directly attributable to the acquisition, contribution or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

(c) Taxation

Income-tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the period and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Midwest Neostone Private Limited**Notes forming part of Financial Statements**

(All amounts are in ₹ Millions, unless otherwise stated)

(ii) Deferred tax

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is not recognized for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction; and
- temporary differences related to investments in subsidiaries to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future;

The carrying amount of deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the reporting date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

(d) Provision, contingent liabilities and contingent assets

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized under finance costs. Expected future operating losses are not provided for. Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognized when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent liabilities and contingent assets:

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets has to be recognized in the financial statements in the period in which if it is virtually certain that an inflow of economic benefits will arise.

(e) Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

(f) Property, plant and equipment**i) Recognition and measurement**

Property, Plant and Equipment ('PPE') are stated at historical cost less accumulated depreciation and accumulated impairment loss, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred. If an item of property, plant and equipment is purchased with deferred credit period from supplier, such asset is recorded at its cash price equivalent value.

ii) Depreciation

Depreciation is provided using the Straight-line Method over the useful lives of the assets as estimated by the Management. Depreciation on additions and deletions are restricted to the period of use. Depreciation is charged to statement of profit and loss.

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value.

The Company, based on technical assessment and management estimate, depreciates property, plant and equipment over estimated useful life prescribed in Schedule II to the Act. The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The Company has estimated the following useful lives to provide depreciation on its property, plant and equipment:

Midwest Neostone Private Limited**Notes forming part of Financial Statements**

(All amounts are in ₹ Millions, unless otherwise stated)

Asset category	Management estimate of useful life & Useful life as
Buildings	5 to 30 Years
Plant & Machinery	15 Years
Furniture and fixtures	10 Years
Vehicles	8 Years
Office equipment	5 Years
Electrical fittings	10 Years
Computers	3 Years

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognized in the statement of profit and loss.

Depreciation method, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

(iii) Expenditure during construction period:

Capital work-in-progress (CWIP) includes cost of PPE under installation/ under development, net of accumulated impairment loss, if any, as at the balance sheet date. Expenditure/ income during construction period (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) is included under Capital Work-in-Progress, and the same is allocated to the respective PPE on the completion of their construction.

Depreciation is not recorded on capital work-in-progress until construction and installation is complete and the asset is ready for its intended use.

Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital advances under "Other non-current Assets"

(g) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company recognises right-of-use assets and lease liabilities for all leases except for short-term leases and leases of low-value assets.

The Company applies the available practical expedients wherein it:

- Used a single discount rate to a portfolio of leases with reasonably similar characteristics
- Relies on its assessment of whether leases are onerous immediately before the date of initial application
- Applies the short-term leases exemptions to leases with lease term that ends within 12 months at the date of initial application
- Includes the initial direct costs from the measurement of the right-of-use asset at the date of initial application
- Uses hindsight in determining the lease term where the contract contains options to extend or terminate the lease

Right of Use Assets:

The company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use).

The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received.

They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The right-of-use assets are also subject to impairment. Refer note 'j' for impairment of non-financial assets.

Lease Liability

The Company recognise the lease liability at the present value of the lease payments discounted at the incremental borrowing rate at the date of initial application. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs. For a lease modification that is not a separate lease, at the effective date of the modification, the lessee accounts for the lease modification by remeasuring the lease liability using a discount rate determined at that date and the lessee makes a corresponding adjustment to the right-of-use asset.

Low value Asset covers all leases which are short term in nature.

Subsequent measurement of lease liability

The lease liability is remeasured when there is change in future lease payments arising from a change in an index or a rate, or a change in the estimate of the guaranteed residual value, or a change in the assessment of purchase, extension or termination option. When the lease liability is measured, the corresponding adjustment is reflected in the right-of-use asset.

Midwest Neostone Private Limited**Notes forming part of Financial Statements**

(All amounts are in ₹ Millions, unless otherwise stated)

(h) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

i) Initial Recognition and measurement

Financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument. A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and subsequent measurement**Financial assets**

All financial assets except Trade receivables are initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Subsequent measurement:

For the purpose of subsequent measurement, financial assets are categorised as under:

- Amortised cost;
- Fair Value through Other Comprehensive Income (FVOCI); or
- Fair Value through Profit or Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.

Equity investments at FVOCI: These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and are not reclassified to profit or loss.

Financial assets at FVTPL: These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on twelve (12) month ECL.

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument, The twelve (12) month ECL is a portion of the lifetime ECL which results from default events that are possible within twelve (12) months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

In general, it is presumed that credit risk has significantly increased if the payment is over due.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet, The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Financial liabilities:

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit or loss.

Midwest Neostone Private Limited**Notes forming part of Financial Statements**

(All amounts are in ₹ Millions, unless otherwise stated)

iii) Derecognition**Financial assets**

A Financial asset is primarily derecognized when the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expired. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount reported in the balance sheet if there is a currently and legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

(i) Inventories

Inventories are stated at the lower of cost and net realizable value. Cost of inventories comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and costs to be incurred in marketing, selling and distribution. Costs incurred in bringing each product to its present location and condition are accounted for as follows .

(i) Raw materials:

Cost includes purchase price, (excluding those subsequently recoverable by the Company from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. Cost is determined on weighted average basis.

Raw Materials are valued at lower of cost and net realisable value (NRV). However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. These items are considered to be realizable at replacement cost if the finished goods, in which they will be used, are expected to be sold below cost.

(ii) Finished goods and work in progress (WIP):

Cost includes cost of direct materials and labour and a proportion of manufacturing overheads but excludes borrowing costs.

It is valued at lower of cost and NRV. Cost of finished goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average basis.

(j) Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised.

(k) Employee benefits**(a) Short-term employee benefits**

A liability is recognised for benefits accruing to employees in respect of wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured on an undiscounted basis at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(b) Other long-term employee benefit obligations

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

(i) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme and other funds. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in statement of profit and loss in the periods during which the related services are rendered by employees.

(ii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The liability or asset recognised in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Midwest Neostone Private Limited**Notes forming part of Financial Statements**

(All amounts are in ₹ Millions, unless otherwise stated)

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

(iii) Compensated Absences:

Compensated Absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

(l) Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

(m) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

(n) Foreign currency transactions and balances

In preparing the Financial Statements of the Company, transactions in currencies other than the Company's functional currency (i.e. foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at that date.

Monetary assets and liabilities denominated in foreign currencies are translated at INR spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss.

Net loss relating to translation or settlement of borrowings denominated in foreign currency are reported within finance costs. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

In determining the spot exchange rate to use on initial recognition of the related asset, expense or income (or part of it) on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, the date of the transaction is the date on which the Company initially recognises the nonmonetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or receipts in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

(o) Recent accounting pronouncements

The Ministry of corporate Affairs ("MCA") notified amendments on 7 May 2025 and 13 August 2025 under the Companies (Indian Accounting Standards) Amendment Rules, 2025 and the Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which is effective from annual reporting periods beginning on or after 1 April 2025.

(A) Amendment to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangement:

The amendments to Ind AS 7 'Statement of Cash Flows' and Ind AS 107 'Financial Instruments:

Disclosures' clarify the characteristics of supplier finance arrangements and require additional disclosures for such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

The Company does not have any supplier finance arrangements during the reporting period.

(B) Amendment to Ind AS 1 - Classification of liabilities as current or non-current and non-current liabilities with covenants:

The amendment specifies the requirements for classifying liabilities as current or non-current in the balance sheet, and clarifies the following:

a) An entity's right to defer settlement of a liability for at least twelve months after the reporting period must have substance and must exist at the end of the reporting period. The classification of a liability as current or non-current is unaffected by the likelihood that the entity will exercise its right to defer settlement.

b) If an entity's right to defer settlement of a liability is subject to covenants, such covenants affect whether that right exists at the end of the reporting period only if the entity is required to comply with the covenant on or before the end of the reporting period.

c) In case of a liability that can be settled, at the option of the counterparty, by the transfer of the entity's own equity instruments, such settlement terms do not affect the classification of the liability as current or non-current only if the option is classified as an equity instrument.

These amendments have no effect on the measurement of any items in the financial statements of the company. The company did not make retrospective adjustments as a result of adopting the amendments to Ind AS 1.

Midwest Neostone Private Limited

Notes forming part of Financial Statements

(All amounts are in ₹ Millions, unless otherwise stated)

(C) Amendment to Ind AS 12 – Pillar-Two Tax Reforms

The Company is not within the scope of the OECD Pillar Two Model Rules, as Pillar Two legislation has not yet been enacted in any of the jurisdiction in which the Company operates.

(D) Amendment to Ind AS 21-Lack of exchangeability

The Amendments introduces requirement to assess when a currency is exchangeable into another currency and when it is not. The amendment requires an entity to estimate the spot exchange rate when it concludes that a currency is not exchangeable into another currency. These amendments had no effect on the financial statements of the Company.

The below amendments are notified but not yet effective

Amendment to Ind AS 1 ‘Presentation of Financial Statements’- Classification of Liabilities as current or non-current and non-current liabilities with covenants:

The amendment includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, retrospectively, as outlined below:

- (a) Breach of material covenant for long-term loan arrangement on or before end of reporting period with effect that liability becomes payable on demand as on reporting date, then it shall be classified as current liability, if lender agreed after reporting period and before approval of financial statements to not demand payment as a consequence of breach.
- (b) Classify as non-current liability, if lender agreed by end of reporting period to provide grace period ending at least 12 months after reporting period within which entity can rectify the breach provided lender does not demand immediate repayment.
- (c) Disclose information about the timing of settlement to understand the impact of the liability on the financial statements.

The Company does not expect this amendment to have an impact on its operations or financial statements.

Deferred tax asset:				
Expenses allowable on the basis of payment	-	-	-	-
Lease liabilities net off ROU Assets	-	-	-	-
	-	-	-	-
Net Deferred Tax Asset	-	-	-	-

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities. The deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgment is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

30 Earnings per share (EPS)

Basic Earnings Per Share ("EPS") is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

	For the year ended March 31, 2026	For the year ended March 31, 2025
Earnings		
Profit after tax for the year attributable to equity shareholders	(61.36)	(1.68)
Weighted average number of equity shares outstanding in calculating basic & diluted EPS	8,710,000	8,710,000
Earnings Per Share		
Face Value ₹ 5 per share		
Basic and Diluted (₹)*	(7.04)	(0.19)

*There are no items giving rise to dilutive equity shares. Hence, basic EPS is considered as diluted EPS.

31 Employee benefits

(a) Defined benefit plan

Gratuity:

The Company provides Gratuity for employees in India as per the Payment of Gratuity Act, 1972. All employees are entitled to gratuity benefits on exit from service due to retirement, resignation or death. There is a vesting period of 5 years on exits due to retirement or resignation. This defined benefit plans expose the Company to actuarial risks, such as longevity risk, interest rate risk and market (investment) risk. The present value of the defined benefit obligation and the relevant current service cost are measured using the Projected Unit Credit Method, with actuarial valuations being carried out at each Balance sheet date.

(b) Defined contribution plan

Provident fund and employee state insurance:

Contributions were made to provident fund and employee state insurance in India for the employees of the company as per the regulations. These contributions are made to registered funds administered by the Government of India. The obligation of the company is limited to the amount contributed and it has no further contractual nor any other constructive obligation.

(c) Amount recognised as expenses

(i) Defined benefit plan:

Gratuity expenses for the year March 31, 2026 aggregate to ₹ 0.34 Mn (March 31, 2025: ₹ 0.1 Mn). The gratuity plan is unfunded (refer note 25).

(ii) Provident fund and employee state insurance:

Contribution towards employee provident fund and others, which is a defined contribution plan for the year ended March 31, 2026 aggregated to ₹ 0.58 Mn (March 31, 2025: 0.01 Mn).

(d) Amounts recognised in the financial statements as at year end for gratuity provision are as under:

	As at March 31, 2026	As at March 31, 2025
i) Reconciliation of Opening and Closing Balances of Defined Benefit Obligation		
Present value of the defined benefit obligation at the beginning of the year	0.10	-
Current service cost	0.34	0.10
Interest cost	-	-
Benefits paid	-	-
Re-measurement gain arising from:		
- Change in financial assumptions	(0.03)	-
- Experience adjustments	(0.03)	-
Present value of the obligation at the end of the year	0.38	0.10
ii) Defined benefit Obligation		
Current - amount due within one year	-	-
Non-current - amount due after one year	0.38	0.10
Total	0.38	0.10
iii) Maturity Profile of Defined Benefit Obligation		
1 Year	-	-
2 to 5 Years	0.05	0.01
6 to 10 Years	0.21	0.27
More than ten year	0.65	-
iv) Sensitivity analysis*		
Discount rate - 1% increase	0.29	0.09
- 1% decrease	0.36	0.12
Salary escalation rate - 1% increase	0.37	0.12
- 1% decrease	0.29	0.09
v) Gratuity Cost for the year		
Current service cost	0.34	0.10
Net interest on net defined liability / (asset)	-	-
Net Gratuity expense in statement of Profit and Loss account	0.34	0.10
vi) Other comprehensive income		
Actuarial gain on liability	0.06	-
Components of defined benefit costs recognised in other comprehensive expense	0.06	-
vii) Actuarial assumptions		
i) Discount rate (p.a.)	7.73%	6.96%
ii) Salary escalation rate	4.00%	4.00%
iii) Retirement age	58 Years	58 Years
iv) Attrition rate	4.00%	4.00%
v) Mortality rate	(IALM(2012-14) Ult.)	(IALM(2012-14) Ult.)

*Sensitivity analysis has been determined based on reasonably possible changes of the respective assumption occurring at the end of reporting period, while holding all other assumption constant. The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of the another as some of the assumption may be correlated.

(iii) Other financial liabilities	Amortised cost	Level 2	69.14	276.87
Total financial liabilities			1,717.11	1,141.47

The management assessed that fair value of investments, cash and short-term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

37 Financial risk management

The Board oversees the risk management frame work, develops and monitors the company's risk management policies. The risk management policies are established to ensure timely identification and evaluation of the risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and company's activities to provide reliable information to the management and the Board to evaluate the adequacy of the risk management frame work in relation to the risk faced by the Company.

The Management policies aims to mitigate the following risks arising from the financial instruments

- A. Market Risk
- B. Credit Risk
- C. Liquidity Risk

A. Market Risk

Market risk is the risk of any loss in future earnings, in realising fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

(i) Foreign Currency Exchange Risk

The Company's functional currency is Indian National Rupees (₹). The Company undertakes transactions denominated in foreign currencies; consequently, exposure to exchange rate fluctuations arise. Fluctuation in exchange rates affects the Company's revenue from export markets and the cost of imports, primarily in relation to capital goods, Spares and consumables.

(a) Significant foreign currency risk exposure relating to financial instruments is as follows:

	As at March 31, 2026	As at March 31, 2025
	Amount in USD (in equivalent INR)	Amount in USD (in equivalent INR)
Capital Creditors	-	2,269,800

(b) Foreign currency sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in USD and Euro exchange rates, with all other variables held constant. The Company's exposure to foreign currency changes for all other currencies is not material.

	Impact of profit before tax for the year ended		Impact of Equity, net of tax as at	
	March 31, 2026	March 31, 2025	March 31, 2026	March 31, 2025
USD sensitivity				
₹/USD - Increase by 5%	-	9.72	-	7.27
₹/USD - Decrease by 5%	-	(9.72)	-	(7.27)

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the Company are principally denominated in rupees with mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in base lending rates. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirement for its day to day operations like short term loans. The risk is managed by Company by maintaining an appropriate mix between fixed and floating rate borrowings, ensuring the most cost-effective strategies are applied.

The company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Exposure to Interest rate risk

	As at March 31, 2026	As at March 31, 2025
Variable rate borrowings	987.33	578.41
Fixed rate borrowings	570.92	250.71

Interest rate Sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	For the year ended March 31, 2026	For the year ended March 31, 2025
Sensitivity		
1% increase in variable rate	(9.87)	(5.78)
1% decrease in variable rate	9.87	5.78

B. Credit Risk

(i) Credit risk management

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

(ii) Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored.

	As at March 31, 2026	As at March 31, 2025
Revenue from top customer	6.43	0.36
Revenue from top 5 customers (other than above customer)	10.12	0.05

One customer accounts for more than 10% of revenue from operation and 5% of trade receivables.

An impairment analysis is performed at each reporting date using a provision matrix to measure expected credit losses. The provision rates are based on days past due for companying's of various customer segments with similar loss patterns (i.e., by geographical region, product type, customer type and rating). The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions.

Allowance for credit impaired trade receivables

	For the year ended March 31, 2026	For the year ended March 31, 2025
Opening balance	-	-
Credit loss added	-	-
Reversal during the year	-	-
Closing balance	-	-

Credit risk on cash and cash equivalent is limited as the company generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

C. Liquidity Risk

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables details the company's remaining contractual maturity for its non derivative financial liabilities with agreed repayment periods. The table have been drawn up based on the undiscounted cash flows of financial liabilities based on earliest date on which the Company can be required to pay.

As at March 31, 2026					
	Carrying value	Less than 1 year	1-5 years	More than 5 years	Total
Long-term borrowings	1,486.79	675.95	706.79	104.05	1,486.79
Lease liabilities	30.72	1.99	11.90	83.00	96.89
Short-term borrowings	71.46	71.46	-	-	71.46
Trade payables	59.00	59.00	-	-	59.00
Other financial liabilities	69.14	69.14	-	-	69.14
Total	1,717.11	877.54	718.69	187.05	1,783.28

As at March 31, 2025					
	Carrying value	Less than 1 year	1-5 years	More than 5 years	Total
Long-term borrowings	829.12	-	-	829.12	829.12
Lease liabilities	31.72	3.72	11.34	85.62	100.68
Trade payables	3.76	3.76	-	-	3.76
Other financial liabilities	276.87	276.87	-	-	276.87
Total	1,141.47	284.35	11.34	914.74	1,210.43

The Company has secured loans from bank that contain loan covenants. A future breach of covenant may require the Company to repay the loan earlier than indicated in the above table.

38 Capital management

The Company's capital management objective is to maximise the total shareholder return by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensures optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of Net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

For the purpose of capital management, capital includes issued equity capital, Retained earnings and all other reserves. Net debt includes all long and short-term borrowings as reduced by cash and cash equivalents and investment in mutual funds.

The Company's Management reviews the capital structure of the Company on monthly basis. As part of this review, the Management considers the cost of capital and the risks associated with each class of capital.

The table below summarises the total equity, net debt and net debt to equity ratio of the Company.

	As at March 31, 2026	As at March 31, 2025
Equity share capital	87.10	87.10
Other equity	(98.14)	(36.82)
Total equity	(11.04)	50.28
Non-Current Borrowings	1,376.62	829.12
Current Borrowings	71.46	-
Current maturities of long term borrowings	110.17	-
Gross Debt	1,558.25	829.12
Less: Cash and cash equivalents	1.86	38.81
Less: Bank balances other than cash and cash equivalents	21.17	-
Net Debt	1,535.22	790.31
Gearing ratio	1.01	0.94

Refer note 42(10) of the financial statements for return on capital employed

39 Revenue from contract with customers

Disaggregated revenue information

Set out below is the disaggregation of the Company's revenue from contract with customers:

	For the year ended March 31, 2026	For the year ended March 31, 2025
Income from sale of products	18.40	0.41
	18.40	0.41
Geographic Revenue		
Within India	18.31	0.41
Outside India	0.09	-
	18.40	0.41

Timing of revenue recognition

Goods transferred at a point of time	18.40	0.41
Total revenue from contracts with customers	18.40	0.41

Reconciliation of revenue recognised with the contracted price is as follows:

Contract price	18.40	0.41
Less: Discounts and disallowances	-	-
Total revenue from contracts with customers	18.40	0.41

Contract balances

	As at March 31, 2026	As at March 31, 2025
Trade receivables (refer note 10)	8.84	0.43
Contract Assets	-	-
Contract liabilities	-	-

40 The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

41 Subsequent events

No Significant Subsequent events have been observed which may require an adjustment/disclosure to the financial statements.

42 Ratios as per the Schedule III requirements

S.No	Ratio	Numerator	Denominator	March 31, 2026	March 31, 2025	Change in Ratio	% Change in Ratio	Reason for change more than 25%
1	Current Ratio (in times)	Current assets	Current liabilities	0.36	1.86	(1.50)	-81%	Due to increase in current borrowings
2	Debt-Equity Ratio (in times)	Total Debt	Total equity	(141.15)	0.19	(141.34)	-74389%	Due to increase in debt and decrease in other equity
3	Debt Coverage Ratio (in times)	Earnings available for debt service	Total Interest, principal repayments and lease payments	(0.02)	3.80	(3.82)	-101%	Due to increase in Debt
4	Return on Equity (ROE) (in %)	Net Profits after taxes	Total equity	5.56	0.18	5.38	2989%	Due to increase in losses and corresponding increase negative other equity
5	Inventory turnover ratio (In times)	Revenue from operations	Average inventory	0.44	14.84	(14.40)	-97%	Due to increase in inventory
6	Trade receivables turnover ratio (in times)	Revenue from operations	Average Trade Receivables	3.97	4.22	(0.25)	-6%	no major variation
7	Trade payables turnover ratio (in times)	Net Credit Purchases	Average Trade Payables	2.52	6.60	(4.08)	-62%	Due to increase in purchases
8	Net capital turnover ratio (in times)	Revenue from operations	Working Capital	(0.09)	3.59	(3.68)	-103%	Due to increase in current liabilities
9	Net profit ratio (in %)	Net profit after tax	Revenue from operations	(3.33)	0.24	(3.57)	-1487%	Due to increase in Losses
10	Return on Capital employed (in %)	Earnings before interest and taxes	Capital Employed	(0.04)	0.21	(0.25)	-119%	Due to increase in Losses
11	Return on Investments (in %)	Net profit	Net investments	5.56	0.18	5.38	2989%	Due to increase in losses and corresponding increase negative other equity

Notes forming part of Financial Statements

(All amounts are in ₹ Millions, unless otherwise stated)

43 Note on Social Security Code:

On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020. ('Labour Codes') which consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during employment and post-employment. The Labour Codes, amongst other things introduce a change in the definition of wages. During the quarter ended March 31, 2026, the management has re-assessed the financial implications of this change which has resulted in increase in gratuity liability arising out of total service cost of ₹ 0.05 million included employee benefits expense.

The Company has assessed and believe that the incremental impact of these changes based on best information available is not material. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Codes and would provide appropriate accounting effect based on such developments as needed.

44 Statutory disclosures

- a. The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- b. The Company does not have any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956.
- c. The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- d. The Company has not traded or invested in Crypto currency or Virtual currency during the financial year.
- e. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
 - (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
 - (ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- f. The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - (ii) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- g. The Company does not have any undisclosed income which is not recorded in the books of account that has been surrendered or disclosed as income during the year (and previous year) in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961".
- h. The Company does not have any borrowings from banks and financial institutions that are used for any other purpose other than the specific purpose for which it was taken at the reporting balance sheet date.
- i. The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.
- j. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- k. The company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.
- l. The company has neither declared nor paid any dividend during the year.
- m. The title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in note 3 & 4 to the financial statements, are held in the name of the company.
- n. The Company has not revalued its property, plant and equipment during the financial year 2025-26.
- o. The stock statements filed by the company with the banks are in agreement with the books of account of the company.
- p. The Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, there are no instances of audit trail feature being tampered with. Additionally, the audit trail of the prior years has been preserved as per the statutory requirements for record retention to the extent it was enabled and recorded.

45 The financial statements were approved for issue in accordance with a resolution of the directors on May 25, 2026.
